**Cemetery Trash**

As many of you have or will be visiting Mt. Olivet cemetery this memorial weekend, you will notice that the trash cans have been removed. This was done because they were often overflowing with garbage, much of which was not trash from the cemetery, but people's personal trash from their homes or cars. Additionally, we can’t afford to pay for trash service to keep them from overflowing, especially when it is to haul off other peoples garbage. It’s for this reason the trash cans have been removed from the cemetery. So, I ask that you please take your trash with you and dispose of it yourself, as is the common practice in most cemeteries.

**Remainder:**

If you have a change of address (new to the area, moved back, moved out of parents home) new phone number, change of name (married) or email, please come by the rectory or call @ 421-5762, so we can update your contact information.

**Thank you**
